ILOAD	02/08 - ON	8 + 10	10	1220mm

\*COLLECTION SIZING refers to the maximum collection width to suit your vehicle. ie. '8 + 10 on driver side' means that you can fit an 8 Collection shelving bay with a 10 Collection extension shelving bay.

This information is a guide only. Other shelving configurations may be possible for your vehicle type. Mesh Cargo Barriers and Anti-Vapour Barriers may affect your van shelving configurations. Always use caution when drilling into a vehicle. Please call us if you would like to discuss other options. If your vehicle type is not listed please let us know. Phone (02) 9631 0555.
